

TRITTICO

A SEA OF FLAVORS

This menu was born out of my passion for cooking and a desire to offer a unique experience that celebrated the freshness, quality of fish and seafood in our territory.

Each dish is the result of careful research, inspired by my travels and work experiences in Italy and abroad, but with a heart deeply connected to Modena.

I personally selected each ingredient and began collaborating with the best suppliers to ensure excellent raw materials. Each recipe is designed to bring out the authentic flavor of the sea, combining it with creative touches and a presentation with attention to detail.

Our menu is designed to satisfy the most discerning palates, and I am proud to share with you what we have created, confident that each dish will be able to tell a story of passion, quality and love of cooking.
Enjoy!

Cutizzi Greco Di Tufo

Feudi Di San Gregorio

"The wines of a land are not goods but tales of life." The Feudi San Gregorio winery presents itself with this philosophy and seeks to encapsulate in each bottle the land of Irpinia, its people, its stories. Greco di tufo expresses the minerality of the land in which it grows, as well as the fruity hints of green plum and Mastr'Antuono pear, typical of these places.

Bourgogne Aligoté

Pierre Morey

Domaine Pierre Morey's Bourgogne Aligoté is a white wine, which, despite the very onerous varietal in the number of hours needed to work in the vineyard, when sourced from 50-year-old vines and the right yields, expresses quickness, savoriness, butteriness and excellent aptitude for ripening.

Brut Prestige

Taittinger

This Champagne Brut Cuvée Prestige comes from the skillful union of the three grape varieties that usually give rise to the French sparklings, Chardonnay, Pinot Noir and Pinot Meunier. The grapes of these varieties come from as many as fifty different plots, carefully selected within Taittinger's own vineyards. Once harvested, the berries ferment alcoholically, then re-ferment, according to the production principles of the Champenoise Method, for at least 24 months, remaining on the lees in the bottle. At the end of this period, the proceed with the operations of disgorgement, dosage and bottling.

Cristal 2015

Louis Roederer

Made only in "great vintages," when the maturity of the Chardonnay (about 40 percent) and Pinot noir (about 60 percent) that make it up is perfect, Cristal ages in the cellar for 6 years and rests 8 months after disgorgement. Remarkably balanced, Cristal is a linear champagne with an absolutely unique persistence in the mouth. The velvety texture reveals fruit aromas supported by a mineral power from which notes of white fruits and citrus fruits emanate.
